Skilled Trades - Workforce Development Non-Credit Instructor

Tidewater Community College's Center for Workforce Solutions needs experienced professionals to teach **Maritime Structural Fitting** at our Skilled Trades Academy in Portsmouth.

Qualified candidates will have a strong sense of commitment to safety and procedure compliance, be a self-starter, have the ability to work independently and possess strong verbal & written communication skills. Candidates must also possess the ability to multi-task with a friendly, approachable customer service demeanor and a desire to teach.

Responsibilities include:

- Instructing courses in maritime shipfitting
- Directing and assessing hands on training with mockups and related exercises
- Enforcing safety rules and regulations in training
- Assessing student performance
