Rules:

1. One team per Yard or VSRA Member Company
2. Teams will be supplied with 2 72" x 48" sheets of Corrugated Cardboard, box cutters and 3 rolls of duct tape provided by Distribution International. Two mystery items will be provided on-site, one of which must be used, and one which is optional.
3. Teams may use Three (3) Supply Items of their own choosing. **Excluding:** polybased paint products, sealants, adhesives (or taping of any kind), wood, flotation devices, buoyant materials and cardboard.

Judging Criteria:

The highest amount of points wins.

* 1-5 points for resemblance to non-submersible U.S. Naval vessels.

* -5 points if the mandatory mystery item isn't used.

* +5 points if the optional mystery item is used.

* 1-5 points for level of exposed cardboard. (The more tape used, the lower the score)

* Buoyancy: Vessel floats for 5 seconds unsupported - 5 points.

Additional points awarded by total weight. Team Captains may direct the divers where to place the weights. Once each 20 lb. increment is added, the vessel must float, unsupported for five seconds before more weights are added. Highest weight total 20 pts.; 2nd = 18pts.; 3rd = 16pts.; 4th = 14pts.; 5th = 12pts.; 6th = 10pts.; 7th = 8pts.; 8th = 6pts.
